FARES MANUFACTURING PLC

SERVING QUALITY

Fares Manufacturing PLC is an industrial, institutional, and household chemical manufacturer and distributor in Addis Ababa, Ethiopia.
We formulate and supply complete hygiene, sanitation, personal care, and raw chemical solutions for hotels, hospitals, industries, and homes.
Beyond manufacturing, we partner with clients to solve complex cleaning challenges and provide hands-on after-sales staff training.

OUR PRODUCTS & SERVICES

1 Kitchen Care Products
Heavy-duty degreasers, dishwashing detergents, and food-safe sanitizers for commercial and household kitchens.

2 Housekeeping Products
Multi-surface cleaners, floor care chemicals, and disinfectants for hotels, offices, institutions, and homes.

3 Laundry Care Products
High-efficiency detergents, stain removers, and softeners formulated for commercial laundries and daily household use.

4 BioSecurity Chemicals
Hospital-grade disinfectants and infection-control solutions for healthcare facilities, farms, and high-risk environments.

5 Food & Beverage Chemicals
Specialized CIP chemicals, plant sanitizers, and food-grade **Fruits & Vegetables Sanitizers**.

6 Personal Care Products
Gentle hand soaps, sanitizers, and daily hygiene formulations for institutional and consumer markets.

7 Basic Raw Materials
Reliable supply and distribution of essential chemical raw materials for local industries and formulators.

8 Contract Manufacturing
Custom chemical formulation, bulk production, and private-label packaging tailored to partner specifications.

WHY PARTNER WITH FARES MANUFACTURING?

In-House R&D & Quality Testing. Every formula is researched, developed, and quality-tested by our R&D chemists for maximum cleaning power, safety, and consistency.

After-Sales Staff Training. Practical, on-site training for housekeeping, kitchen, and laundry teams on proper dilution, safe handling, and hygiene protocols.

Technical Problem-Solving. Expert site assessments to diagnose and resolve stubborn stains, scaling, and sanitation bottlenecks.
